Romain reportedly didn't like anal when she first did it, but now Sandra is as nasty and as eager as they cum when it pertains to the ass sex. DEBBIE DOES DALLAS ...Again!

VIVID BRINGS A CLASSIC BACK FROM THE DEAD...LITERALLY!

Article By Gram Panante.
Images by Gram Panante & Vivid Entertainment

There are porn stars in the graveyard, giving blowjobs. Strange? Not for Porn Valley.

We are on the set of Vivid's *Debbie Does Dallas—Again,* starring Vivid Girls Stefani Morgan (as Debbie) and Monique Alexander (dispensing coffin blowjobs), as well as Hillary Scott (as Debbie) and Penny Flame.

Yes, there are two Debbies. One is alive and the other is dead. Hence the real-life graveyard location on the outskirts of Los Angeles.

Award-winning director Paul Thomas wraps it up neatly: "Debbie dies in a freak cheerleading mishap and she comes back as Hillary Scott."

With the amount of exposure firecracker Hillary Scott is getting lately, it would be no surprise if everyone were to come back as Hillary Scott. She's in Sex Z Pictures' huge-budget *Corruption,* is the star of *Britney Rears 3,* and has either been nominated or won for being one of the top newcummers in the biz. But it's the pre-resurrection Debbie we're here to see. She's in her cheerleader's outfit and she keeps flashing the camera.

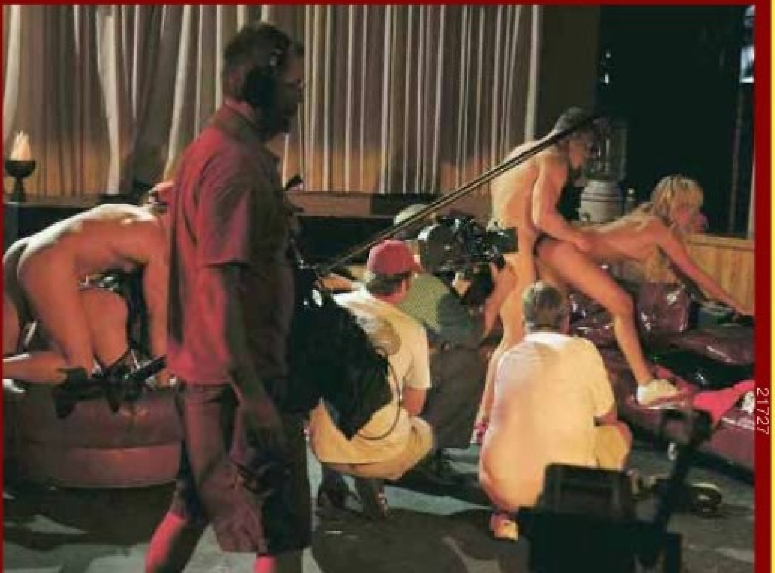
"It's kind of hot out here," she said.

"Yes," I concurred.

A hovering Showtime cable crew maneuvered around the proceedings. They are shooting a documentary on Vivid that is set to air in January. A fan recognized Paul Thomas (PT) from his days as a rock musical star. "Can you sign this copy of *Jesus Christ Superstar*?" he was asked.

There were several dialogue scenes to film and two sex scenes that would have to be shot after the cemetery closed to the public. Vivid contract director Eon McKai came to visit the set. McKai is going to be helming an Alt version of the Debbie legend called, *Debbie 3 Dallas.* "It's already got people pissed," he said.

I explained to Alt-Porn prince McKai that Thomas was a superstar before he was. I felt awkward being more familiar with the Broadway aspect of Thomas' career than his porn career.



"Ask PT if he'll come to my *Jesus Christ Superstar* party next year," I demanded.

"Would you come to a *Jesus Christ Superstar* party next Easter at Gram's house?" McKai asked Thomas.

"And would you cook?" I blurted out.

Thomas proceeded to tell a story about one of the actresses in the movie that made "I Don't Know How to Love Him" seem like an outright lie.

"'Deep Throat' had just come out," Thomas said, "and she said she wanted to try one. So we went out to the middle of the Negev Desert and she practiced deep-throating on me and some of the other 'saints.'"

In the meantime, beneath a peaceful tree, Monique Alexander was blowing Derrick Pierce. The gorgeous Vivid contract starlet is about 5'5" and was wearing nothing but a pair of shorts and some high heels (porn stars wear high heels to bed and in the shower. When they try on new shoes, they put them on over their high heels). She knelt between Pierce's legs and kept bobbing up and down as the crew switched camera angles. Monique never seemed to get tired of it. Since Pierce was lying down, he had it made. Alexander, on the other hand, was really working out her neck and calf muscles during the oral excursion.

Stefani Morgan stood nearby, and Flame, playing an angel, was up the tree. "There are ants crawling up my ass," she said. Flame is a straight shooter.

The combination of debutante Vivid Girls and gonzo girl Flame worked well. Flame, like Slim Shady, doesn't give a fuck. She had the cast roaring.

Thomas didn't want to get too raunchy before four o'clock, when the cemetery closed. But that didn't stop Sunny Leone, who got completely naked in the middle of the gravestones, even though her scene wouldn't be happening for several more hours. "It's really hot out here," she said.

"Yes," I said, but I didn't need an explanation.

Evening came, and as you know, a blowjob is never enough, so Alexander and Pierce fucked under the stars and the production lights. Some cemetery neighbors could be seen peeking through the trees. "Why don't you take a picture you perverts?" Penny Flame yelled. I'm sure they took her up on it.

In the interim, Stefani got ready for her three-way in a mausoleum.

Who knew cemeteries could be so sexy?

DIGITAL PLAYGROUND SIGNS SHAY JORDAN

Digital Playground, the creators of such hardcore hits as *Pirates* and the *Island Fever* series, now have another exotic and erotic star to add to their stable of contract girls. Shay Jordan joins Jesse Jane, Teagan Presley, Jana Cova and Sophia Santi, and Shay and the company couldn't be any happier.

"Shay is tall with an all-natural body, gorgeous and innocently exotic. She oozes sex appeal, and her performances are incredible. Everything she does demands attention," company owner and award-winning director Joone mused.

"Digital Playground is the best company, hands down. For the last five years, they have created the most popular stars, movies and directors. I have dreamt of being a sex star my entire life, and I have no doubt Digital Playground will make that happen," Shay said about her new status.

Shay Jordan

With exquisite Asian and German heritage, and an exotic childhood that included residence in The Philippines, Hawaii and San Diego, Shay is worldly and pragmatic. She graduated with a chef's certificate from San Diego Culinary Art School, specializing in French and Asian cuisine.

Shay makes her Digital Playground debut in a scintillating boy/girl scene with Scott Nails in *Teagan Presley: Sexual Freak 2*, which is in stores now.

JOANNA ANGEL ONE OF BIG APPLE'S SEXIEST

Joanna Angel

Joanna Angel, the tattooed temptress and poster girl for alt-porn, has been chosen by the *New York Post* as one of the 25 sexiest New Yorkers.

The eleventh largest newspaper (in terms of circulation) in the United States named the porn starlet and founder of BurningAngel.com to their prestigious list in a recent article. The piece was written by Sara Stewart and Reed Tucker, and includes such New York figures as chefs, DJ's, tv hosts and clothing designers.

"There are so many beautiful people in New York," the New York-based babe said about the mention. "I am flattered to have received this honor."

AUSTYN'S SECRET SOCIETY

Austyn Moore, the former Adam and Eve contract star of movies such as *University of Austyn* and *Tailgunners*, has started her own eponymous production company, and she is currently casting for the upcoming movie titled, *The Secret Society*. The one big difference with this casting call is Moore is looking for real people with real fantasies.

The Secret Society will feature five lucky winners, all getting to act out their sexual fantasies, with Austyn supplying the female anatomy to make those fantasies come true! "When I began thinking of a new movie to shoot for my company, I figured the best way to connect with the fans was to have them jump into bed with me and do what they have never done before!" stated an excited Austyn. "A lot of fans email and express their sexual fantasies to me—now I am going to make those dreams come true for them." *The Secret Society* is slated for two volumes, with Volume One containing Austyn's first on-screen anal scene and Volume Two will feature Austyn in her first DP scene. The movie should be in stores in January, and for more information, visit SecretXXXSociety.com or AustynMoore.net.

the Wanker Wire with Wankus

My Porn Education

A review of some of the things I learned after six years inthe adult biz

Six years ago, I groomed my crotch. All right, calm down. I'm not trying to give you some twisted visual, just making a point. I got some scissors and cut down that Italian fro I used to sport, because with my six inch pipe, it looked more like a candy corn in a field of barbed wire. That little trick is that it's one of the many thanks I have for the adult industry. I've now learned that a woman, porn star or not, prefers a man with a clean, groomed set of nuts.

Now I ain't talking about baby-shaved clean. Most women I learned don't like a "man" to have no hair down there. But they DO prefer a thin patch above the dick and a completely shaved set of balls and ass.

Thankfully, I've been lucky enough not to have a hairy outside to my ass. Just the crack gets that follicle shadow resembling a mass group of bushes growing out of the mouth of a cave on a tropical island. And if I don't shave my nads, I guarantee you a group of monkeys could use the excess to swing back and forth, ball to ball, just for mere amusement.

Oh, I hear ya, just the thought of a razor on the old sensitive testes makes you reminisce about your last bad paper cut, but trust me, if done right, there's no cuts, no shave bumps and a *very* happy female tongue lappin' away at 'dem nads like there's no tomorrow. Don't be a lazy fuck, fellas. The effort will pay off and she'll keep comin' back for more, because you're one step ahead of the rest of 'em.

Another thing I learned thanks to the adult business is that you don't have to be the guy you see on the blue screen. Oh c'mon. Don't even try to tell me you didn't mimic some shit you saw Joe Stud doing in *Little Miss Teen Bitch Gets Drilled*. We all have. We try to get all creative with positions and think we have to fuck for two hours just to please a woman.

Okay, there are a few ladies out there who desire marathon sex. But truth be told, most of them want you to just be able to get them off and get off yourself so they can raid the fridge and do it again, or just plain and simple, go to sleep.

A typical night on 'The Wanker Show.'

The first night I took my fiancé (Tyler Faith) out to dinner she said to me, "The purpose of having sex is to cum. I don't want an all-nighter. Get me off once or twice, get yourself off and let's do something else."

I knew right then and there that she was a keeper! And getting back to those wacky positions, Tyler also said, "I don't want to do back flips in the bedroom. I do that shit on camera and I hate it. I only do it because it looks good. At home, I just want to cum."

You see what I'm talkin' about hombres? Keep it simple and most importantly, learn what it is that they like and need, and get to it like you're saving your long-lost relative who is about to perish in a mountain climbing accident. Put everything you have into getting them off, so that even if you have to two-pump chump a situation, they're still satisfied and will keep coming back for more.

Now let's not get carried away. Two-pump chump every time ain't gonna cut it either, 'cause no matter what Tyler says, I've had my marathon moments where I was able to do her good and hard for over an hour straight, no breaks, no slowing down and she loved it. We're speaking just "in general" here.

That's another key, too. Change it up. If you're doin' the same shit every time, it's gonna get old. Unless you're a two-incher or so fat your cock hides under your stomach and is hard to find, it really doesn't matter what you look like or how you're put together. Sex is all in the passion. Look at me. Joe Average. I've been knockin' boots with one of today's hottest stars for almost two years. Ya see my point boys? Bring the game every time, with or without the equipment, and you'll always be 1st place in her standings.

In future issues, I'm gonna provide you with some more inside info and some more tips and advice based on things I've learned from being in the sex industry. Send me an email at wankus@ksexradio.com and let me know if they've worked for you, or feel free to ask me questions about anything you want. I'll get your answers from some of today's hottest XXX stars!

Wankus is the Program Director and show host of "The Wanker Show" on KSEXradio.com. His CoHo's include Rebecca Love, Sunny Lane and Tyler Faith. It's FREE to listen to KSEXradio.com while members of the site can check out all the hot action on the in-studio webcams every night!

We led him to the room and sat him on the foot of the bed, while the two girls got undressed again. Another eight totally nude women stood silently along the wall in front of him, but he had no idea they were there until his blindfold was taken off. He nearly shit in happiness!

They converged on him like wolves, stripping his clothes off slowly, constantly telling him he could look but not touch—at least not yet! Moaning with delight, he thanked me a million times. When his pants were unzipped and pulled down, I felt a surge in my own crotch just looking at his cock sticking out the top of his underwear. Someone bent down and kissed it.

Two women knelt and began nuzzling his erection through his underwear. They teased the hell out of him. Pulling his legs apart, they caressed and nibbled at his balls until the fabric was soaked with saliva. Finally, they stripped him naked. He lay down and several girls took turns mounting his face—smearing his smile with cunt juice. Hands were touching every inch of him, even his feet. Nipples were being delivered to his lips with a lusty invitation to suck. An Asian with jet-black hair was devouring his balls, begging him to spread his legs so she could lick his anus.

Already he was threatening to cum, begging to blow his wad into someone's face. A redhead pushed her way to the front and took control, telling him she'd be glad to take it in the face. Teasing just the tip of it first, she paused, licked her lips and went down on him full force. Red was rewarded with a blast of thick, creamy cooze. Everyone moaned at the force of his spurts. It was truly an orgasm that had come from the depths of his soul. Two more girls who struggled to catch some cum on their pouting lips joined Red. Tongues wagged, lips smacked and cum continued to pump. When he was finished, five girls were on their knees in front of him with glistening ropes of cum splashed across their faces. He watched breathlessly as the five girls took turns licking the cum off each other's faces.

Before long, someone asked him to kneel. He did and was ready for anything. A girl stood with her butt in his face and bent from the waist. Pulling her ass cheeks wide open, she begged him to lick it. He pressed his face into the girls glistening crack. Lapping at her like a hungry puppy, his erection slowly returned. As he stiffened, two blondes on all fours worked him from the front—one sucking his cock, the other devouring his balls. Miss Sondra crawled around back for seconds at his ass. I'm sure she had an anal fetish.

He was ecstatic, being licked and sucked by a nasty group of babes. They pushed each other aside for a chance to rub their cunt in his face. His cock was rock hard again, being fought over by no less than four greedy girls. He begged to fuck someone in the ass…Miss Sondra.

He knelt there, cock erect and throbbing, as he watched a raven-haired beauty apply a generous coating of oil to Sondra's pooter. Sondra wiggled and squirmed until she was all the way down on him. Drawing every inch of his shaft deep inside her ass, she began to hammer down on his pole. She fucked his guts out for about ten minutes, then she clicked on a vibrator. With her moist pussy being tingled and her ass being plunged, she got off almost instantly, and so did my husband. Suddenly, there was such commotion I couldn't see what was happening. Finally, the crowd of naked women parted and my hubby lay sprawled and panting.

I let him dictate the rest of the night, but he was pretty spent. Mostly, he just watched the girls do each other, and do me. When they finally left around midnight, we fell into bed exhausted. He said those were the two best orgasms he'd ever had. I'd fulfilled his fantasy to perfection.

My birthday's coming up in a few months and our tastes are so much alike, I wonder what he'll do for me.

MIGHTY NEIGHBORLY

Every guy remembers his first time, and I'm glad to say that mine was with an older woman. Leanne, my first woman, was about 36 when I was an 18-year-old virgin. She lived downstairs in the two-family house I also lived in. I had secretly watched her as she sunbathed in the yard.

One night, Leanne came home and I was sitting on the front porch reading a book, or I should say pretending to read so I could catch a glimpse of her. She was upset, asked if I she could talk to me. I agreed and went inside with her. She started telling me about this guy she was dating for a while and how he dumped her that night, then she excused herself. Leanne was gone a while, so I decided to go and look for her. The bathroom door was slightly ajar and I could see Leanne sitting on the edge of the bathtub softly crying. She had on just a thin robe, which was open to the waist, and I could see her full, firm breasts with small, pink nipples peeking out. The lower part of the robe was open to the sides of her long legs. I felt a strange mixture of sorrow, excitement, and fear as I looked at her sitting there obviously alone and very distraught.

I moved closer to the door and looked between her legs, seeing her neatly trimmed pussy, which excited me more. By this time, I had a full-blown boner as I just stood there admiring Leanne's beautiful body and wondering how I could get to see more. I decided on a bold approach, and with a bit of a tremble, I opened the door and walked into the bathroom. Leanne made no move to cover her body as I approached. I asked her if there was anything I could do, but she must have seen my condition and recognized my excitement. Leanne reached out and pulled me to her, hugging me close. I was the surprised one when I realized that my right hand had slipped under her robe and I was cupping her firm tit in my hand. Leanne didn't move and just kept holding me as I felt her nipple harden.

She slowly brought her hand around to my crotch and gently rubbed my cock through my jeans. Taking me by the hand, Leanne led me to her bedroom and asked me to wait for her. Her robe was open in the front now and I had a great view of her full, firm tits with those stiff, pink nipples and that golden triangle of fur between her firm legs. Then she asked if I wanted to make love to her. I stammered a bit, but assured her I wanted her badly and would do my best to please her.

Leanne kissed me and began to take off my clothes with remarkable quickness. She took my rock-hard cock in her hand, stroking it slowly, and gently squeezing my balls. I felt like my cock was going to burst and told her she had to hurry or I would cum in her hand. She rammed my cock into her mouth, sucking my dick for all she was worth. This was too much, and I started shooting my spunk into her hot, wet mouth. I was afraid she would be disappointed, but instead, Leanne grabbed my ass, driving my dick deeper into her mouth and sucked my goo down her throat.

After Leanne drained the last drop from my still stiff schlong, she pulled back and licked her lips, and thanked me for giving her my sweet cum. I was happy I had not ruined our lovemaking and begged her to get on the bed. Leanne told me to relax as we had plenty of time, and stroked my cock, showing me that it was still stiff and we would get to that part of our fun later.

She took off her robe and pressed her body into mine. I climbed on top of her as she reached around, grabbing my ass and pulling me into her cunt. I thought I was going to cum again as my cock was engulfed by the greatest invention in history, and my balls pressed against her hot lips. As soon as I calmed down, Leanne had me rub her nipples, slowly making her moan with pleasure and bringing her nipples to full hardness so that they resembled tiny pricks. Leanne got us into a driving rhythm. She spread her legs wider and pulled me in deeper. I started moving faster with her as our pace quickened, and it wasn't until a few minutes later that I began shooting my second and final load of the night. I just couldn't believe my luck!

Leanne lived downstairs for another few months before she had to leave town for another job, but in that time, she taught me everything from how to eat pussy to how to give a girl anal.
